The ABC T-ball league will be made up of about 80-100 youth ages 4 to 6 years old. The league will compose of 8 to 10 games with 10 players on each team. All games will be played on Saturdays at Chosewood Park.

The league will begin Saturday, April 3, 2010 and end May 29, 2010. There will be one coach and one team mother for each team.

All teams will be fully dressed with caps, t-shirts w/numbers on back and team name on the front, pants, and socks. We plan to recruit all players from the communities and church.
